

LPS DOCUMENT CANCELLATION AUTHORIZATION

Document Number: LMS-CP-2736

Document Name: Recovery of Precious Metals

Reason for cancellation

LMS-CP-2736 outlines a procedure that is covered under two other LMS processes (LMS-CP-2716 and LMS-CP-2722). Turn-in of precious metals is handled the same way as turn-in of any other type of property (LMS-CP-2722). Furthermore, the duties of the Precious Metals Monitor have been transferred to the Logistics contractor and the duties documented in a contractor SOP. Should a Survey Report need to be processed, LMS-CP-2716 will be followed.
