

CANCELLATION NOTICE

LF P293, Designation of Source Evaluation Team/Board (SET/SEB)
Consultant (Oct. 2002)

Cancelled effective 11-30-06

LF P293 was the tool used to allow the SET/SEB Chairperson to appoint consultants to provide input for a specific area of the proposals. Because appointment of source evaluation board includes appointment of consultants, the form was found redundant; therefore, LF P293 is no longer needed and is officially cancelled.
